Defendant/Respondent)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the proposal by E&P Associates, Inc. (E&P), which provides that E&P will dismiss its Complaint filed in this matter, contingent upon BellSouth Telecommunications, Inc.'s (BellSouth's) agreement to discontinue collection efforts on amounts currently due.

The genesis of this matter is a service complaint by E&P against BellSouth. We agree with and approve E&P's proposal to end this matter. However, we approve the reservation of BellSouth's right to collect the outstanding balance, should E&P or Mr. Graham request future service from BellSouth, consistent with the Commission's regulations.

This Order shall remain in full force and effect until further Order of the Commission.
